

# New Olympic Sports

Five sports have been added to the Olympic Games programme for Los Angeles 2028:

**Flag Football**

**Baseball/softball**

**Cricket**

**Lacrosse**

**Squash**

**What considerations were there for the International Olympic Committee (IOC) in selecting new sports?**

**Consider the following in your answer...**

**Gender Equality**

**Popularity**

**Hype**

**Facilities**

**Rules and Regulations**

## **Extension Activity**

**Select one of these sports you do not know much about and do a bit of research.**

**Give a brief description of the sport.**

**Explain why you think it has been added to the Olympic Games.**
