

VAR Starter Resource

VAR stands for Video Assistant Referee, an official who reviews on-field decisions using video footage and advises the referee. Since it was introduced to the English Premier League in 2019, VAR has sparked some controversy.

Take some time to chat about the following points with your partner:

- 1. The reasons behind introducing VAR technology in the English PL**
- 2. The growing controversy surrounding the usage of VAR.**

If needed, use these factors to form the basis of your discussion:

Decision-Making

Accuracy

**Player
behaviour**

**Spectator
Experience**

Accountability
