

Badminton Knowledge Tester

Match up the key terms in Badminton with their definitions.

1. Fault
2. Drop shot
3. Let
4. Clear
5. Smash
6. Rally

- A. A high, deep shot to the back of the opponent's court.
- B. A powerful overhead shot directed steeply downwards.
- C. A continuous exchange of shots between players until a point is scored.
- D. A breach of rules that results in a point or service being awarded.
- E. A rally is stopped and replayed, e.g. if the server serves before the opponent is ready.
- F. A gentle shot that lands just over the net.

How many points are needed to win a game of badminton?

What is the correct serving direction in a singles match when the server's score is even?

Should physical fitness be prioritised over technical skill when selecting players for a school badminton team?
