

Aim – Create a four-slide presentation with the aim of gaining funding from UK Sport.

Make sure that you:

- **Pick an Olympic/Paralympic Sport**
- **State how much funding you require (consider overall budget of UK Sport)/how much funding your sport currently receives/how long the funding will last)**
- **Suggest how your sport will use the funding (what are your aims? Are they in line with the aims of UK Sport? Do they link to EIS?)**
- **State who will benefit from the funding**
- **Discuss the overall aims of the funding/programme?**
- **Argue why your sport should gain funding ahead of other Olympic/Paralympic Sports?**
- **Does the funding you receive tie in to UK Sport's current programmes: World Class Performance Programme/Gold Event Series/Talent Identification & Development**

You can include pictures, diagrams, videos and information in your presentation
